

Uremet SuperLite™ Wood Coaster Wheel

(Patent Pending)

Specifications

- New product for all wood coasters
- Patent pending 2-piece system with aluminum hub and steel outer ring
- Weighs approximately 40% less than solid steel wheels – reduces train and track wear and maintenance costs
- Retreadable – outer steel ring can be removed and replaced at a lower cost than complete wheels
- Available for both road and guide wheels
- Optional improved seal system
- In-stock, orders ship immediately
- Bearings, seals and cups are available for an additional charge
